

Parents,

How quickly the summer flew by us! With your families back on the Fall schedule, I'm sure you are all adjusting to new routines and challenges. We are about to resume our Faith Growers curriculum here at Christ Lutheran Church. Again, we will rotate classes each Sunday using Art, Music, Drama, Science, Cooking and Bible Skills to teach the stories of the Old and New Testament. We want to be sure not to add to the challenges of your Fall routines, so please help us avoid any problems with our cooking session by providing us with any allergies that your child may have. Cheryl Kussow will be teaching cooking in the church kitchen and we will provide her with your information so she may contact you and be guided by your knowledge before planning for the year. **Classes will resume on Sunday August 21, so if you could provide us with the information by August 25th** that will give her time to contact you before the first cooking session on Sept. 4. Please complete the form at the bottom of this page and return it to Debi Prather or drop it in the Director of Faith Formation box in the main office. Thanks and hope to see your little ones again on August 21 at 9:15.
